Dear Sir,

**Quality Management System Approval**

We have pleasure in informing you that the Quality Management System operating at your facility in CONSETT under the control of MR, W RAE, Quality Manager is approved by Aerostructures Hamble Limited, as satisfying the requirements of QAS 2000 Section 2.

The AHL Approval Number allocated to your Company is: 47

This Number should be quoted in any correspondence and on all relevant Documents.

This Approval covers the following Categories of Work.

**MANUFACTURE AND SUPPLY OF DE-ICING PANELS  
FOR USE ON THE HAWKER 125 JET**

An AHL Certificate of Approval is enclosed.

This Approval is dependent on your continued compliance with the Requirements of QAS 2000 and any other supplementary instructions issued by AHL. Particular attention is drawn to the constraints on purchasing and sub-contracting unless authority has been previously agreed.

Certificates of Conformity Must be Signed Only by those Signatories Nominated in the List of Approved Signatories.

Should you be requested at any time to undertake work for AHL, which is outside of your Scope of Approval, You are required to notify the Quality Manager of AHL in order that suitable Quality arrangements may be made.

This Letter May be Withdrawn at Any Time at the Discretion of the Issuing Authority.

Please Acknowledge Receipt of this Letter to the Undersigned Confirming that you Accept the Conditions of this Approval and that a copy of this letter has been made available to your Quality Authority.

Yours Faithfully  
For and on Behalf of

Dear Sir,

Following the evaluation of your company shown above, I am pleased to confirm that your current Aerostructures Hamble Limited (AHL) scope of approval has been extended as shown below. Your approval number will remain the same, and is;

**AHL 47**

Please ensure that you quote this number on all correspondence and certification documentation when you are releasing product to Aerostructures Hamble. Your scope of approval is ;

**The Manufacture and Supply of De-Icing Panels for use on Hawker 125. Source Inspection Delegation granted. Design capability at Manchester site approved for use on AHL Airbus contracts.**

It is a requirement that you only supply product in accordance with your scope of approval. Should you be requested to undertake work for AHL which is outside your allocated scope, you are required to notify the AHL Supplier Quality Management function so that suitable quality arrangements can be made.

Under the requirements of this approval, please inform AHL of any major changes in your organisation, address, Quality system approvals. Your quality performance will be periodically reviewed, this approval may be suspended or withdrawn should the conditions under which it was granted no longer be applicable or maintained.

Yours faithfully,  
for and on behalf  
of Aerostructures  
Hamble Limited.

Supplier Quality Management.
