Cessna Aircraft Company Quality Approval Letter
Vendor Code: 1004101

Mr. Peschard

Thank you for arranging the recent quality system evaluation performed at your facility on February 15 & 16. A review and assessment of your response to Cessna's corrective action request indicates that your company has a quality system capable of contract compliance. As a result CAV Aerospace – Chihuahua, Mexico has been quality approved for the following processes:

- CSMP003 – Heat Treatment of Aluminum Alloys
- CSTI008 – Electrical Conductivity Testing of Aluminum Alloys
- CSTI028 – Hardness Testing of Metals
- CSFS039 – Solvent Cleaning - Liquid

If you have any questions or concerns please feel free to contact me.

A handwritten signature in black ink, appearing to read "Mitch Nelson", with a long horizontal flourish extending to the right.
